Fellowship Question: If you could ask one person, one question (other than God), what would it be and why?

Read 1 Corinthians 15:12-20

Why does Christianity rise and fall on the resurrection of Jesus Christ?

What are some, “external” evidences of the resurrection of Jesus?

Explain, “internal” evidences. Have one or two people share their experience in this.

Why do you think that Paul says if Jesus did not rise from the dead we as true believers are most to be pitied (verse 19)

Do you agree with this?

Is your life defined so much by the death and resurrection of Jesus that if it is not real, your life is pitiable?

Because Jesus rose from the dead, everything changes. Pastor Rob focused on four key changes due to the reality of Jesus resurrection:

Read verse 20.

Discuss:

- Why does the resurrection of Jesus make sharing the Gospel important and valuable?**
- How does the resurrection of Jesus make believers secure?**
- How does the resurrection of Jesus guarantee our eternal life if we believe?**
- Why does the resurrection of Jesus give meaning to our suffering, and help being ALL IN to be logical, and the only reasonable response to life?**

How does communion help you keep the death and resurrection a meaningful part of your every day life?

Could it be said of you...

**“Apart from faith in Christ, there is no explanation for such a life”
why or why not?**

Prayer: Spend time praising God, and asking that you would be impacted by this reality.
