**Fellowship Question: What was your favourite year of school? Why?
What is the most important thing you learned at school?**

Read Jude 17-24

Why is it important to remember that we are born as babies and need to mature in our faith?

Do you think this is a major misunderstanding in the Christian world today? In our lives?

Jude focuses in on obedience to God's Word and living in community building unity as marks of discipleship, what things would you add? Next week we will focus in on what Jesus teaches in terms of our hitting the target of discipleship, what marks would you have for a fully devoted follower of Jesus?

How can we show our active dependence on God?

Read and discuss: Philippians 2:12-13; Psalm 127:1; John 15:5; Philippians 4:13

Why is understanding our dependence on God for growth in holiness so important?

Pastor Rob mentioned four essential disciplines of grace: Discuss these so you understand what they look like practically:

- Word**
- Prayer**
- Community**
- Gospel Reminders**

Would you add any?

What are you doing every day to make sure these are a part of your life?

**What changes do you need to make to be more effective in community as a group?
How can you help us to build our church in these things?**

What do the great trees in the Redwood forest teach us about our need for one another?

How do verses 24-25 encourage us in our goal of building ourselves up in our most holy faith?

Set goals in:

- 1. Word Intake:**
- 2. Prayer (corporate, individual & arrow and extended)**
- 3. Preach the Gospel to yourself**
- 4. Community**

Pray we would be a church that follows Jude's commands!
