

# Growing Deeper Together:

2015-03-01

**Fellowship Question: Who did you want to be when you grew up? Why? How did that shape who you are today?**

**Read Galatians 1:8-10; 4:19**

**As Paul paints the target as to who He wants to produce, why is it important to start with the person of Jesus?**

**Discuss:**

- Colossians 2:6
- 1 John 2:6
- Luke 6:40
- Romans 8:28

**Why is it so essential in our discipleship target that we keep the person of Jesus in focus?**

**The next thing the sermon talked about was the process:**

**What does it mean to live the Spirit filled life?**

- Galatians 5:13-26

**What does it mean to abide in Jesus?**

**Why is this so important for us to understand and pursue?**

**Why is it helpful to keep in mind that this is a process?**

**Why does Paul compare this pain of the formation of Christ in us to child birth?**

**Interact with:**

- Romans 8:28-29
- James 1:2
- 2 Timothy 3:12

**Why is pain such an important part of the process?**

**Why was Paul willing to go through this pain:**

**-Discuss some of the pain he went through...**

**What is the product that we are trying to produce as a church?**

**Why?**

**How can we do that more effectively?**

**When people see you, how can you be growing so that as they see you they see Jesus?**

**Pray that we would be Christ-like!**
