

# Growing Deeper Together:

2015-03-15

**Fellowship Question:** If you were to answer the question, who are you? In a paragraph, what would you tell people?

As you open in prayer, read Colossians 1:9-14 and try to follow that as a pattern for your prayer.

Read Colossians 3:1-3

What does it mean to know your identity as a Christian?

Why do you think that this is so important to living life as an authentic disciple?

What do you need to learn about your identity as a Christian so that your life can be more and more worthy of the calling you have received?

- Galatians 2:20
- Romans 6:1-6

What does it mean to be raised with Christ?

- Why is this in the past tense?
- What does this reality cause Paul to teach us?

What does it mean to be IN CHRIST?

- Why is this so significant to followers of Jesus?

What does it mean to keep seeking things above?

Practically, what does this look like?

What are some things that discourage you in your identity, or in your pursuit of Jesus?

How can you trust God, and honour Him even when you feel a little discouraged?

What does it mean to focus on the things that are above?

What are some things that can distract you from this focus?

How can you get more focused in your life?

Interact with this quote, **“The key to living the risen life is to have a life centered on Christ! The Son, not this present world, is the center of the believers universe!”**

Have a great week!
